President's Note

We are already on track for 2012 to be a terrific year! Recently, we recognized Double Platinums Bobby & Courtney Matheny for earning the 2011 Soaring with the Eagle Award, our highest achievement at Team National. Congratulations Bobby & Courtney! We celebrated their achievement in South Florida during our annual Platinum Mid Winter Planning Meeting. It was a great meeting with our TN leaders. We have committed leaders that care about your success and profitability. They took time this January to gather and brainstorm and it was super! In January, we also had speaker, author & coach Les Brown on the TN conference call. He is our keynote speaker in Kansas City at our convention this March. He is going to be terrific. On our call, he shared his desire to help develop the greatness within you. You will want to have a big team in Kansas City, so they too can learn from Les Brown. Get registered today to be in Kansas City as it will prove to be a can't miss event, where we will celebrate our 15 years in business and talk about the vision for the next 15 years!

"Too many of us are not living our dreams because we are living our fears." Les Brown
