Thirty years ago, our founder, Dick Loehr tasted a similar seasoning at an expensive steak & seafood restaurant. Dick, recreated it to use at home and fine-tuned his homemade seasoning into today’s Sensational Secret Seasoning Salt. It has a zesty flavor that tastes great on everything from french fries to US prime steak. Plus, when you buy the seasoning you will get a free cookbook valued at $9.95 with recipes from the Platinum Presidential leaders and the corporate staff.

**RECIPE**
Turkey or large roasting chicken
Dick’s SSS
1 stick butter
Fruit of your choice (enough to stuff the bird)
2 - 8 oz. cans chicken broth
1 quart of orange juice
Take a turkey and sprinkle the inside cavity generously with Dick’s SSS. Put one stick of butter into the cavity and then stuff with apples, pears, oranges, pineapple or any fruit to your liking. Put the turkey in an aluminum throw away pan. Add a quart of orange juice and add two 8 oz. cans of chicken broth. Rub the outside of the turkey with oil and sprinkle generously with Dick’s SSS. Cover turkey with aluminum foil and cook at 350 degrees for 3-4 hours, depending on the size of your turkey. Uncover the turkey for the last hour so it will brown. Remove the turkey from the oven and let stand for 20 minutes before slicing. Make your gravy with the juice and drippings left in the pan. It will be the best turkey you will ever eat.

All proceeds will be donated to Feed the Children.

“We have saved a lot of money using the benefits. Perhaps the most fulfilling thing for me was when my son, after having returned from Iraq, was able to save $6,000 purchasing furniture from Team National Factory Direct. He was thrilled with all of the furniture he received and I was thrilled that because Jim and I were members, he was able to use the benefits!!! We absolutely love Team National!!!!
